- Contains Protexin® Pro-biotic for essential gut health and optimal feed utilisation

Partly Steam Extruded

Partly Micronised

Omega 3

Beetroot

Stabilised Rice Bran

Low Sugar

Protexin® Probiotics

Prebiotics

Cool Energy for Sustained Performance

Whitaker Bros Jumpmix is a scientifically formulated, fully balanced medium energy feed for horses. Using only the highest quality ingredients, Jumpmix is low in sugar, with moderated starch levels and uses cool energy pathways such as stabilised rice bran to deliver sustained release energy that is less likely to affect temperament. Jumpmix supports muscle fibres by rapidly replenishing muscle glycogen stores and aids quick recovery through extensive fortification with antioxidants – essential for jumpers to perform at their best class after class. Equine specific amino acids and high levels of Protexin® are included for essential gut health and optimal feed utilisation. Finally, Omega 3 Oils ensures all round health and vitality for healthy skin, a shiny coat and general well-being.

Ingredients

Contains micronised grains (including wheat, barley, maize, linseed), beetroot, steam extruded vegetable protein meals & stabilised rice bran, soya hulls, alfalfa pellets, carrot, cold pressed rapeseed oil, vitamins and chelated minerals, biomas and protexin® probiotics

Analysis

Energy De (MJ/kg)	12.5 Mj/kg

Sugar	3.4

Daily Feeding Guide

	Bodyweight	
Jumpmix	250-350 Pony	400-600 Horse
Moderate Work (Kg/Day)	1 – 1.5 kg	2 – 3 kg
Hard Work (Kg/Day)	1.5 – 2 kg	3 – 5 kg

Feed together with roughage (hay, chaff, chop, other forage or pasture). Where roughage is fed it should be offered at between 1 to 1.5% of bodyweight daily.

Fresh clean water must be made available at all times.

Daily feeding quantities above are a guide only.
