"Maestro is ideal for horses & ponies that are up and running. It gives them great long lasting cool energy that doesn't make them hot." Sir Mark Todd

Mark Todd Maestro

Mark Todd Maestro is a scientifically formulated fully balanced complementary feed for horses and ponies in medium to hard work. Using only the highest quality ingredients, Maestro is manufactured to exacting standards to produce a super premium, highly digestible, low-intake product. Stabilised Rice Bran ensures an easily metabolised source of cool energy, superior digestibility is achieved through the combined use of advanced feed technologies including wet steam extrusion and micronisation and gut health and efficient feed utilisation is achieved from Protexin® and equine specific amino acids. Finally, Omega 3 Oils ensures all round health and vitality for healthy skin, a shiny coat and overall well-being.

Ingredients

Contains micronised grains (including wheat, maize, peas, linseed), beetroot, steam extruded vegetable protein meals and stabilised rice bran, soya hulls, beet shreds, cold pressed rapeseed oil, carrot, vitamins and chelated minerals, biomass and protexin® probiotics.
