Product Summary

Key- 3 Oil™ When added to the equine diet Key- 3 Oil helps to maintain the critical ratio of Omega 3 and Omega 6 fatty acids, minimising inflammation, supporting good health and performance. Key-3 Oil contains sustainable marine oil, a direct source of the longer chain Omega 3 fatty acids, EPA and DHA. Adding Key-3 Oil to your horse's diet is an advanced, easy and effective method of supplementing Omega 3. Key-3 Oil comes in 1 litre, 5 litre or 20 litre.

Ingredients

Premium cold pressed british linseed oil, cold pressed rapeseed oil, Scottish salmon oil and garlic.
